RE: **Notification of Trash Rate Increase**

Dear Resident:

Effective September 1, 2021 trash rates will increase in accordance to the passage of resolution number 21-76. The City offers additional services included in the sanitation service fee according to Title 17 of the Municipal Code such as; limb and brush removal that is generated from the property by the resident, and removal of bulk items such as old furniture. Listed below are the new collection rates.

1. Fees Established

- a. The residential rate for sanitation service is established at the rate of \$23.00 per month per residential household.
- b. The commercial can rate for sanitation service is established at the rate of \$29.00 for the first two supplied carts per month per commercial business. Each additional cart is \$14.00 per month. Commercial carts remain the property of the City.
- c. The commercial dumpster rate for sanitation service is established at the rate of \$225.00 per month per 4-yard commercial dumpster.

Please set your trash carts with the wheels and handle towards the house or dwelling. The lid opening should face the road for collection to help ensure the automatic side arm truck can dump the cart without damaging the cart.

If you have any questions please contact 615-323-9293.

Thank you for your cooperation in this matter.

Sincerely,
CITY OF PORTLAND PUBLIC WORKS DIRECTOR

Carlton J. Cobb
